Product Description

Colorful combination playground equipment for children aged 2 to 6. The playground equipment consists of a playhouse with a platform height of 93 cm, from which a plastic slide leaves. The playhouse can be accessed via an easy staircase with metal handrails. Below a play floor was arranged, on top there is a bench. The whole is covered with a two-fold roof from rounded colorful HDPE polyethylene panels. From the playhouse one can walk via an arched bridge with railings to an open platform. The platform is equipped with a balustrade with a colorful metal railing. The platform can be reached via an easy staircase with metal railings and a rock wall with plastic climbing grips. Below a play floor was arranged. The roundwooden larch poles have a diameter of 10 cm and are fixed into or onto the ground using metal base supports.
