### Product Description

Colorful playground equipment for children aged 2 to 6. The playground equipment consists out of two platforms one above the other. The upper platform is at 93 cm height and can be left via a slide with stainless-steel slide plate and HDPE polyethylene edges. The platform can be reached via an easy staircase with metal railings and a rock wall with plastic climbing grips. The upper platform is equipped with a curved metal balustrade. The roundwooden larch poles have a diameter of 10 cm and are fixed into or onto the ground using metal base supports.
