Central post made of galvanised steel  
Galvanized ground anchors

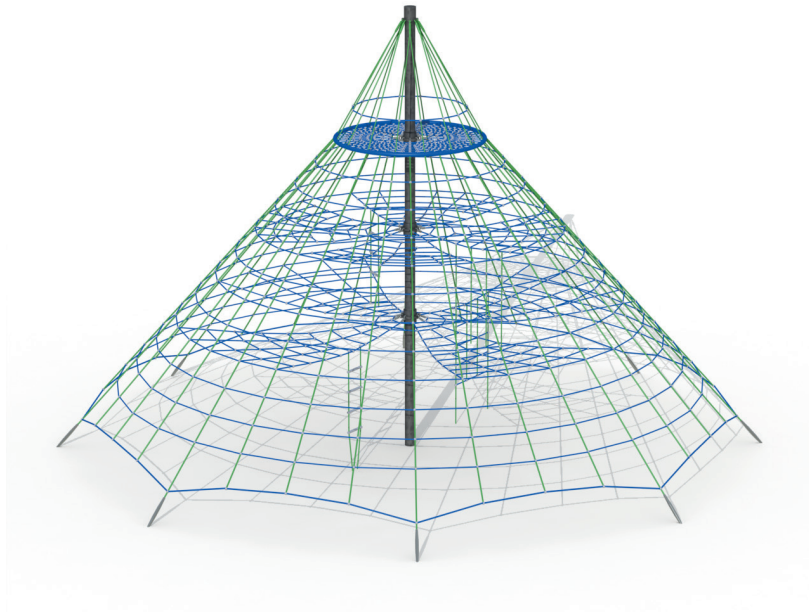

### Product Description

Net climber for children aged 4 to 16. The net is made entirely with polypropylene rope and the 4 corners are fixed into the ground with galvanized ground anchors. The net hangs around a big metal pole that's fixed directly into the ground with concrete. Inside the net climber you can enter different levels through 4 rope ladders. On the two horizontal levels you can take a break before you continue your climb.
