Stainless steel tubes treated against rust

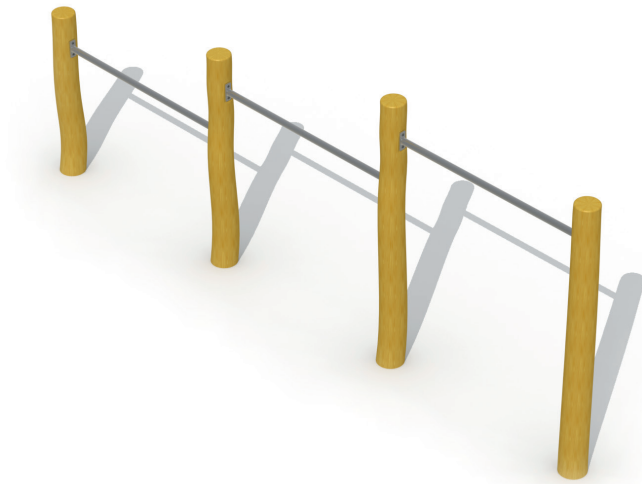

Product Description

Wooden somersault in robinia with 3 horizontal bars for children from 6 years old. Children can hang on the horizontal bar or turn around. The horizontal bars are placed on a height of 0,90 m, 1,20 m and 1,50 m. An additional antirotation mechanism for the bar is foreseen. The roundwooden poles in robinia have a diameter of 12 cm and are fixed into the ground by using metal base supports. All metal parts are treated against rust and all nuts and bolts are completely covered with plastic protection caps.
