#### Product Description

Activity panel for children from 2 years. The activity panel 'scoreboard' is made of HDPE polyethylene en has 3 holes which serve as goals. How smaller the hole, how higher the score you get when you score. This activity panel can be integrated in one of our existing play equipments (instead of a yellow sidewall) or can be used on it's own in combination with two roundwooden poles (S032). All nuts and bolts are completely covered by flower-shaped protection caps.
