Product Description

A platform on four roundwooden larch poles that be reached via an easy staircase and that can be left via a stainless steel slide of 1 m width with HDPE polyethylene edges. The roundwooden larch poles are fixed into or onto the ground using metal base supports. All metal parts are treated against rust and polyester coated and all screws are covered with flower-shaped covers. This construction is suitable for children aged 3 to 12. It can be combined with following add-on components: Monkey Ladder (S005), Climbing Arch (S006), Rock Wall (S007), Low fireman's pole (S008), Sand corner (S009), Net climber (S013), Low spiral fireman's pole (S014).
