 Oak girders
 Flower-shaped protection caps

Product Description

Dining car with two benches and one table. The top construction is made out of larch, the girders out of oak. The dining car comes preassembled. It can be connected to a locomotive (T101), passenger carriage (T201) and a tank wagon (T300) by means of a connection bridge (T500). It can stand free on the ground without fixation. All metal parts are treated against rust and all nuts and bolts are completely covered with flower-shaped protection caps.
