

Trampoline Junto 150 x 225

Code: MA-SA-93

Description

Top quality trampoline for long term outdoor use for all year; can be left even in the wet condition. The trampoline is equipped with galvanized springs and a weather proof jumping mat.

The trampoline in the shape of a combined square with a side of 150 cm and a semicircle with a radius of 75 cm, intended for use in playgrounds with intensive use. The jumping mat is available in 6 colours and many patterns to choose. Trampoline is available in two version: openable and non-openable. Openable version facilitates cleaning inside the device.

The rubber collar is available in two options:

SBR ? brown/red and black

EPDM ? 24 different colours as per attached picture

It is possible to add patterns to the collar (diamonds, circles, squares, and stars).

Springs are made of galvanized steel, which are located around the jumping mat and connect the mat with internal galvanized chest.

Set:

1x jumping mat
1x elastic rubber collar
1x metal chest
