

Description

A small set designed for children. Simple to overcome the bridge, a bridge with a full barrier and a low slide will make even babies who have just learned to walk feel safe while playing. An additional advantage of this set is manipulation with a maze and an interlace that help children improve their manipulative and motor skills while having fun.

Model type	Modulair
Serial number	11239EPZ
Equipment name	Orbis Mini III 11239
